## Application

This is an application for judicial review in respect of

Canada Revenue Agency Administrative Review, Canada Emergency Benefits Validation

The decision communicated to me on July 15th, 2024, requiring that I repay all CERB benefits received during 2020 - 2021 because I allegedly "did not earn at least \$5000 (before taxes) of employment and/or self-employment income in 2019 or in the 12 months before the date of your first application"

The applicant makes application for:

A complete reversal of this decision and a recognition of my CRB claims as valid and legal, as well as full reimbursement for any legal and administrative fees incurred as a result of this litigation. In addition, compensation for serious psychological distress incurred as a result of the exceptionally stressful, drawn-out process of getting these decisions reviewed, and the generally inconsiderate nature of CRA's handling of this matter.

The grounds for the application are:

I met the qualification requirements to receive CERB and provided evidence to the CRA supporting these qualifications, but did not receive a procedurally fair and/or adequate review of my provided documentation.

This application will be supported by the following material:

Explanatory letter (appendix A), notices of assessment (appendix B), annotated bank statements (appendix C), sample receipts (previously provided to CRA) (appendix D), e-mail invoices (appendix E)
